Warm greetings to the readers of the Alumni Newsletter!!

It is my pleasure to share with you the first issue of the newsletter for the month of November 2023. Datta Meghe Institute of Management Studies in the last 29 years has grown in leaps and bounds. From the intake of 60 seats it has grown to 240 seats in the present academic year. The growth has happened due to continues excellent performance from students, teachers and the valuable support of the institute Board of Management. We are approaching completion of a decade of autonomy and in these 10 years, we have put lots of effort into skill development. The newsletter showcases all the efforts that the institute is making in order to excel as a management institute. I hope that this newsletter will be a stepping stone towards connecting with all the alumni.
