Being an Autonomous Institute we constantly strive to reduce the gap between Industry and Institute. Our students are constantly exposed to Industrial environment and also build their managerial skills with local firms and through interactions with industry forums and seminars on campus. They have full feel of the Industrial culture. They are also made very clear about what industry expects from them. Therefore we are confident that our students will perform well, right from the first day of joining the industry.

It is an era of multitasking. An individual with diversified capabilities have great demand in the industrial sector. We at DMIMS involve our students in variety of creative tasks. They are representing various administrative cells where they are voluntarily coordinating variety of activities which help them to polish their overall personality. A separate and dedicated team of students are actively involved in placement activities, from the corporate interactions to the Placement.

We nurture moral values and instill etiquettes in our young, bright and dynamic students bubbling with enthusiasm to be launched in to the new world of corporate competition. Each of our students has a distinct goal backed with road map to realize it.

Nagar Yuwak Shikshan Sanstha, under the Chairmanship of Hon'ble Shri Dattaji Meghe, Former Member of Parliament, established the NYSS Institute of Management & Research in 1994 (which is recognized as "Datta Meghe Institute of Management Studies" since 2009). The Autonomous Institute offers full time Master of Business Administration (MBA) programme approved by the All India Council for Technical Education (AICTE) and permanently affiliated to Nagpur University. It is accredited thrice by the National Board of Accreditation (NBA), New Delhi in 2025, 2022, 2019, 2014 and 2008.

The Programme is designed to grow as a centre of excellence in management education along with current trend and issues. It strives to provide the best educational aids and maintain a creative atmosphere. Recently, the Institute has ranked among top 100 B-Schools by Dalal Street Investment Journal - 2015.
